

SPECTATOR CONDUCT

The SHSAA accepts the following as its policy regarding spectator conduct at all SHSAA Events.

The guiding principle for all SHSAA activities is that all participants; players, coaches, game and minor officials alike deserve respect and consideration.

Respect the players in the game. Fans must cheer showing their support “for” their team, not disrespect for their opponents. It will be unacceptable for fans to make noise of any kind during situations such as a foul shot in basketball or during the serve in volleyball.

School supporters are asked not to applaud errors by opponents, nor heckle, jeer or distract members of the opposing team.

Respect the officials. They are doing the best job that they can, and should not be criticized for the judgments that they make but applauded for the service they provide to high school sport.

Refrain from taking food or drink into high school gymnasiums when posted.

Fans must respect the property of the schools and the authority of the school officials. Refrain from using artificial noisemakers, drums or other musical instruments.

The exception to this policy would be a school Pep Band under the direct supervision of authorized school personnel, with the understanding that nothing will be done to interfere with the performance of the opposing team.

Be A Sport - Blend your cheers for “Your Team” with applause for your opponents. Observe the letter and spirit of the rules and show consideration for others.

Thank you to the sponsors of SHSAA:
