SSSAD Spirit of Service Award Winners

The SSSAD Spirit of Service Award is presented to an individual who has made a significant contribution to the schools intramural or athletic program in the spirit of service and volunteerism to make the school and community a better place. This award is in memory and honor of Saskatoon Secondary Schools Athletic Directorate teachers and coaches who unfortunately passed away before their time. Their contribution of service to SSSAD and their respective schools is greatly missed. The Spirit of Service lives on as we acknowledge the following for their exceptional service.
