SPECTATOR CONDUCT

The SHSAA accepts the following as its policy regarding spectator conduct at all SHSAA Events.
The guiding principle for all SHSAA activities is that all participants; players, coaches, game and minor officials alike deserve respect and consideration.

Respect the players in the game. Fans must cheer showing their support "for" their team, not disrespect for their opponents. It will be unacceptable for fans to make noise of any kind during situations such as a foul shot in basketball or during the serve in volleyball.

School supporters are asked not to applaud errors by opponents, nor heckle, jeer or distract members of the opposing team.

Respect the officials. They are doing the best job that they can, and should not be criticized for the judgments that they make but applauded for the service they provide to high school sport.

Refrain from taking food or drink into high school gymnasiums when posted.

Fans must respect the property of the schools and the authority of the school officials.

Refrain from using artificial noisemakers, drums or other musical instruments. The exception to this policy would be a school Pep Band under the direct supervision of authorized school personnel, with the understanding that nothing will be done to interfere with the performance of the opposing team.

Be A Sport - Blend your cheers for "Your Team" with applause for your opponents. Observe the letter and spirit of the rules and show consideration for others.

Extra Time:

Overtime periods will be two 5-minute halves. For the Saturday games at the provincial tournament only, overtime shall consist of two 10-minute (5-minute for 7v7) halves before the shootout. The following procedures will be used at the end of regulation time:

- A coin is tossed and the team that wins the toss decides which goal it will attack in the first half of overtime.
- The other team takes the kick-off to start the overtime.
- The team that wins the toss takes the kick-off to start the second half of overtime.
- In the second half of the match, the teams change ends and attack the opposite goals.
- There is no GOLDEN GOAL rule in effect.

If still tied:

- Each team shall take five penalty kicks. The kicks shall be taken in alternate order by five different players of each team at the same goal. No player shall kick more than once until all eligible players have had a kick. Each team shall utilize the same number of eligible players for penalty kicks. The eligible players are those who were on the field at the end of regulation play (see the appropriate ruling in the "Laws of the Game"). Only eligible players are allowed on the field during the penalty kicks.
